Hi All,

With my recent transition to the American Red Cross (my last day today with CD10), I just forward the last email from Larry to our leadership team as well as connected Michael specifically, with he right people in our office, in order to help make this happen!

Lastly, please add my personal email to the mix([raulclaros@ymail.com](mailto:raulclaros@ymail.com)) as I will do everything I can to help make this happen as well!

Best,

-Raul

Hello Paul,  
Monica and I are well aware and we are going to work with the RFK principals and our Local District to arrange a tour/meeting with People for Parks.  
We appreciate your advocacy Paul! We will keep you all updated on what date works best for everyone to tour the campus. It looks like it will be sometime after the RFK murals have been unveiled. I will be sure to let you know.

Thanks again Paul and our People for Parks friends!
